

Company Profile

ISO 9001:2008

Introduction:

Alpha Power Solutions was founded in February 2002, by a team of engineers with strong engineering and marketing expertise, to manufacture, market and service power conditioning equipment like UPS, Inverters, Stabilisers, Batteries and other allied products.

Our products and services are known for technical excellence and provide you the very best in terms of design, technology and service. We are capturing the market through innovative product and service development, strategic partnerships and successful business models.

Network:

Head office is at Bangalore, the silicon valley of India. Branch offices are at Mysore, Mangalore and Davangere. Expansion plans include establishing branches throughout Karnataka.

Our state wide distributor and dealer network ensures easy availability and access to our entire range of products and services.

Services:

Excellent service is provided with all products and can be availed at convenient hours. Alpha Service, our dedicated customer service division, will look after your every need.

Services include Annual Maintenance Contract (AMC), Annual Service Contract (ASC) and On-Site/Off-Site Maintenance, Service and Repair of all makes, kinds and types of power conditioning equipment.

Green Electricity

Solar Power Conditioning unit (PCU) is a integrated system of a solar charge controller, inverter and a Grid charger...

Green Office

An Online UPS provides constant power backup, but it also works to improve your power supply

Green Houses

Alpha Home UPS is a futuristic concept A separate power back-up system for home as well as your computer...
